<p>The file requested in reference was handcarried from BOB to MLB. One copy has been presented to UPHILL, one is being retained here, and one is attached hereto for headquarter's files. The file was handcarried because UPHILL made the acquisition of these documents an urgent matter. They finally admitted that they really did not need the material for their files; rather, it urgently was needed by the courts. UPHILL's earlier story was that they had turned over their only copy to the courts. It now transpires that they did not. As a matter of fact they lost their copy of the BDC file.</p>
